Recommended Service and Delivery

STAFF ON EVENTS:

There will be a charge for the number and type of staff required for each event. All menus are based on a four-hour event. Generally, Lawson Street Caterers' staff needs to set up for your event 2 hours before the event starts, a four-hour party, and one hour following the end of your event unless circumstances dictate otherwise. The number of staff per menu per event should be discussed with your consultant to provide you with the appropriate service you expect.

DELIVERY SERVICE:

At Lawson Street Caterers, we are concerned about on-time delivery with the highest degree of handling your food. Cold and hot foods are delivered safely within the half hour before serving time; cold food can be returned within the hour prior, if necessary, in some cases. We will confirm the delivery window when we confirm your order.

Our professional, uniform drivers will deliver and set up your order. Please have tables available for the delivery person to set up your food. If the table you are using needs a protective covering other than the plastic table cover we provided, please have it in place by our arrival. Delivery and Set up Service includes Delivery and Set Up of your Food, Serving Equipment, and a Scheduled Return Pick up of Equipment. Chafing Dishes accompany all hot items and will be set up upon our delivery. A driver will return to pick up equipment at a mutually convenient time. Cold food deliveries will be set up on all disposable platters and bowls and do not require a return pick-up.

Delivery charge is dependent on distance and accessibility. The delivery and setup charge for most locations ranges from \$50 to \$125 and will be quoted when your order is placed. Deliveries before 7:30 a.m. or after 6:00 p.m. on weekdays will incur an additional delivery charge.

Tipping of our staff is not included. Our staff appreciates your generosity, and the amount you tip reflects the quality of service you receive.

FOOD AND BEVERAGE SERVICE

Please view these menus as suggestions; our culinary staff is happy to customize menus to reflect your tastes and budget. Lawson Street Caterers serves Buffet, Sit-Down, Cocktail, and tapas-style menus, including all necessary food service equipment for your affair. Many of these items are prepared in Lawson Street's kitchen; however, some items may be cooked on-site at your location to ensure the highest quality. Some events may require additional catering equipment by choice of necessity. We will work with you to identify these situations.

COUNT

The minimum guest count is 25 guests on all menus unless otherwise noted. For groups of over 200 guests, please call one of our sales consultants for special consideration. Your sales Consultant must confirm the number of guests attending fourteen (14) days before the event. This number will be considered a guarantee and not subject to reduction. If no guarantee is received, the original number of expected guests will be used as the guaranteed number. Once your final count has been received, only increases will be accepted until 2 days before your event date. Any increases in your count after this date will be subject to an increase in your per-person cost for these additional guests. A minimum guarantee is required for the order within one week (two weeks for Full-Service events). Although this number may not be reduced, you may add to it until 48 hours prior to delivery.

PAYMENT

A deposit is required to secure the date and services for your event. Once the menu has been chosen and approved, a 50% payment is due, and the final payment is due fourteen (14) days before your event. A final invoice payable upon receipt will be sent if extended labor hours, additional food, beverages, or rentals are incurred. Lawson Street accepts cash, checks, Visa, MasterCard, American Express, and Discover. All deposits and payments are non-refundable.
